

Greetings from RFL Best Buy!

We are honored to invite you to join RFL Best Buy as a partner in our safe, profitable and most promising business model. We are glad to present you with an exclusive opportunity and explore the most potential retail market of Bangladesh.

RFL Best Buy has created a substantial transformation in Bangladeshi retail market and is the most promising retail brand in the country. RFL Best Buy serves over 5 million customers every year with all the daily necessary products of a household. The company is now embarking on a new endeavor in order to solidify its existing position as the best retailer in Bangladesh. The Franchise expansion all over the country promises to be another milestone among the number of achievements of RFL Best Buy. At Present, RFL Best Buy operates more than 300 outlets covering more than 50 districts of the country, and is expected to grow exponentially as consumers are moving towards organized retail store.

What is RFL Best Buy Franchise?

RFL Best Buy Franchise is first of its kind convenience store operated by RFL Best Buy's expert team and owned by Business Entrepreneurs. RFL Best Buy's first-rate branding and commitment to the franchisee is unprecedented. RFL Best Buy helps franchisees tailor their businesses to the individuality of their selected market bases and customer needs, and that means happier customers that come back.

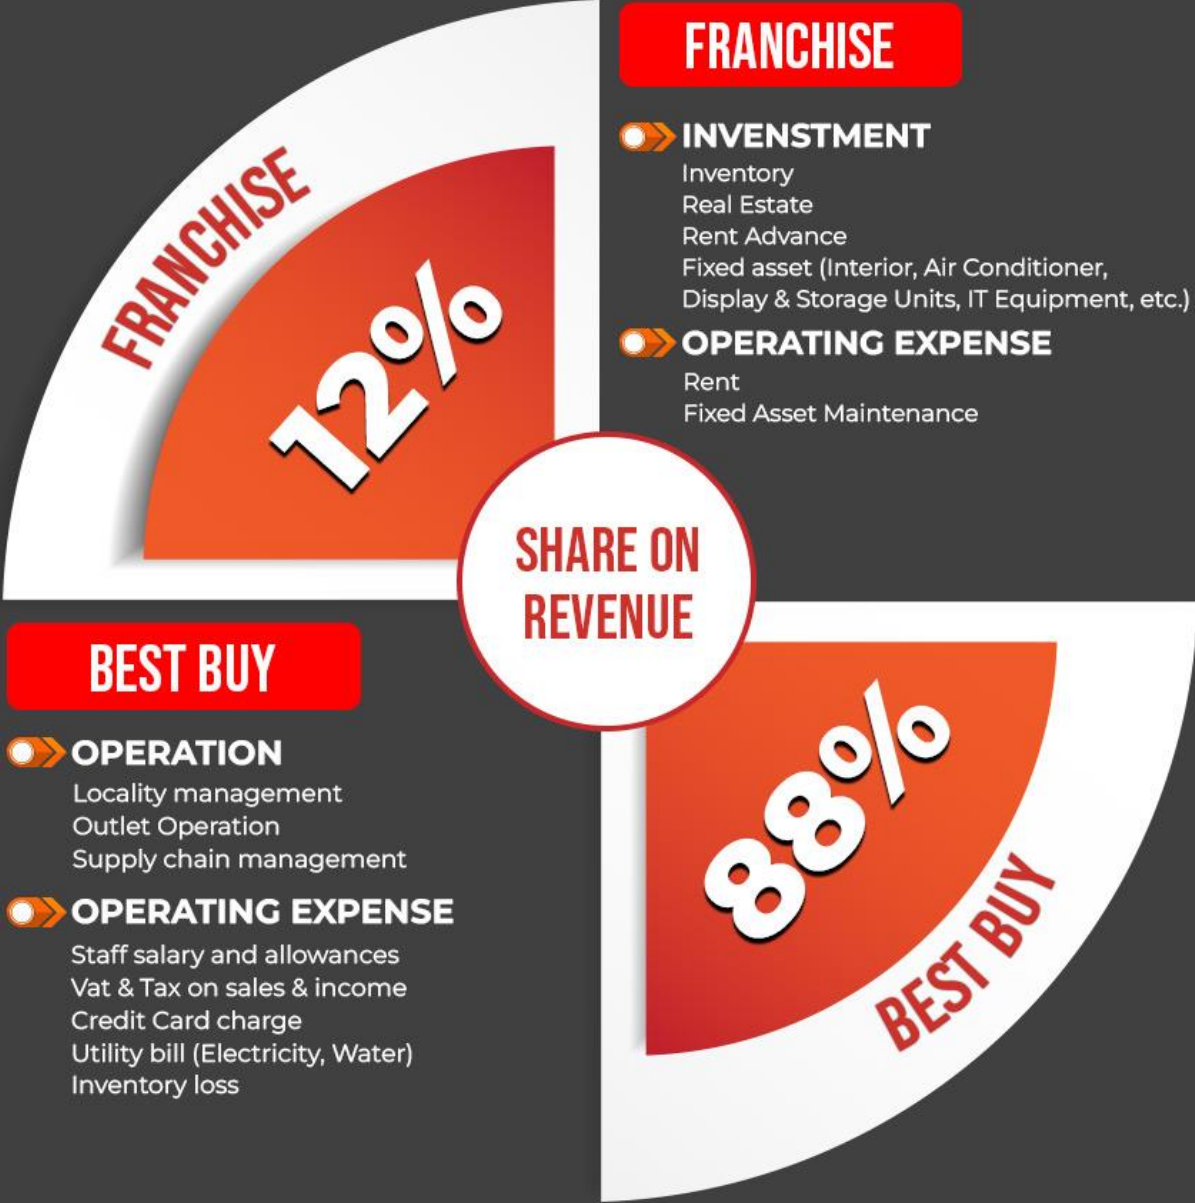

Prior to Agreement formation, RFL Best Buy's Business Research team conducts extensive feasibility study of the selected location to ensure sustainable business for both franchisee and RFL Best Buy.

Why RFL Best Buy Franchise?
